COMPLETE PET FOOD FOR ADULT CATS

Monge Natural Superpremium Monoprotein* Adult Cat Salmon is a complete and balanced pet food for adult cats. A product formulated with a single animal protein source*, the first ingredient is salmon, and characterised by its digestibility and palatability due to the inclusion of fresh fish. The formulation is enriched with XOS (Xylo-oligosaccharides), next generation prebiotics to support intestinal wellness. The inclusion of select ingredients, such as rose hip with antioxidant compounds to neutralize free radicals, and yucca schidigera to limit intestinal odours, is the result of Made in Italy research to support the quality of our cat's life. Formulated with Omega-3 fatty acids for shiny coat. No added dyes and artificial preservatives.
